

Canadian AIDS Society Satellite at AIDS 2010

The Canadian AIDS Society (CAS) invites you to attend its satellite at AIDS 2010.

Title: Lessons Learned: Promoting HIV Vaccines in Light of Existing Knowledge and Practices from Previous Public Health Interventions.

When: Tuesday, July 20, 2010, 7:00 am - 8:30 am.

Where: Mini Room 3, XVII International AIDS Conference, Reed Messe, Vienna, Austria

CAS and the Canadian HIV Vaccine Initiative (CHVI) are working closely at examining the past experiences of relevant health care interventions, including HPV and hepatitis B vaccination, needle exchange, HAART and TB prophylaxis adherence, and HIV vaccine trials, to develop effective strategies for future HIV vaccine roll-outs.

Presenters will share best practices and lessons learned in vaccine deployment to offer possible solutions for increasing awareness of an HIV vaccine and assisting its future deployment worldwide.

Moderator:

Monique Doolittle-Romas, Executive Director of the Canadian AIDS Society

Presenters:

Dr. Dan Small, Adjunct Professor, University of British Columbia

Presentation: The Social Minefield of Syringe Distribution versus Exchange: Chasing Political and Epidemiological Dragons

Dr. Deborah Money, Executive Director, Women's Health Research Institute, Vancouver, Canada

Presentation: HPV in HIV-Positive Women - The Disease and the Vaccine

Dr. Robert Broadhead, Professor, University of Connecticut

Presentation: Rejuvenating Harm Reduction Efforts in Ukraine for IDUs: The Impact of Implementing Peer-Driven Interventions Nationwide.

Pre-registration is not required. A light breakfast will be served from 06:45.
